December: caroling to nursing homes

February: Valentines cards for Vanderbilt Children's Hospital (this was a huge success last year!)

April: Earth Day

May: Long Hollow Baptist Church Hendersonville- as a way of showing our appreciation for LH allowing us to use their classroom space for FREE, we will be doing a trash clean-up day, weeding flower beds, or anything else that they might need.

More details to come on all of these as the dates, get closer!
